

# A Night At The Museum Wearable Arts 2009

Monday 16 November

Dear Parents/Caregivers,

## DVD Order Form!

A big thank you to all those who attended the Wearable Arts show in Term 3. The children had a blast parading their artworks in front of you and it was wonderful having such supportive audiences making it a positive experience for the children. Special thanks needs to go to all the parents who helped behind the scenes as your contributions were much appreciated by both the students and teaching staff.

Again we have been very fortunate to have Steve Press record one of the performances. Having a professional cameraman give up his time to record the show is absolutely fantastic! It will not only be a valuable resource for students to use for reflection, but also a great resource to motivate students for future performances.

There has been a lot of interest from parents to purchase copies of the show. The cost for each DVD is **\$15** and includes a brilliant movie of the entire performance. Money raised will go to replenishing our performing arts resources. It would make a great present for grandparents and family members who were unable to see the show.

If you are interested in ordering a copy/copies please send the return slip with payment to your child's classroom teacher or to the office before Friday 27<sup>th</sup> November.

Thank you for your support

Kirsten Berry
