

23 June 2021

Hello Muritai Families

The Muritai School Board of Trustees held its fourth meeting for 2021 recently. It was a very productive meeting and from that, we have a couple of updates to share.

We would like to firstly thank everyone who contributed to our 2021 – 2023 Muritai School Strategy. As a Board we have spent a lot of time ensuring this reflects all our combined aspirations for our school over the next three years.

Our ultimate outcome for our children: Our school vision is to “Be the best we can be”

We will achieve this through:

- Empowering – improving learner empowerment through our agentic approach
- Partnership - our people will be their best through cohesive partnerships
- Environment – our spaces are linked to enable learners and Kaiako to be their best

We have included the illustration that communicates this visually:

Another exciting announcement is around our official launch of our new strategy. We are producing a short film (2mins) that will bring our new strategy to life and we look forward to showing you this at our production later in Term 3.

We have had a big focus on Maths over the past two years with fantastic outcomes. Positive changes have been made in classroom practices because of this. Thank you to the team involved in making this happen. We will share some of this data with you next month.

Warm wishes

Muritai School Board of Trustees

Kaye, Andrew, Bec, Jeremy, Kurt, Lisa and Felicity.
