

16 September 2021

Hello Muritai Families

The Muritai School Board of Trustees held its regular meeting on Tuesday 14<sup>th</sup> September. It was a very productive meeting which we were pleased to hold in person, under “level 2 delta” rules. We do have a few updates to share with you.

### **Student Achievement Data**

Firstly, the Board would like to thank the Senior Leadership Team (SLT); Maureen Buckley, Jon Mackie, Jamie Power and Jess Richards for joining the board to present some Student Achievement Data and analysis of the data. The Board were impressed at how our Muritai learners are progressing overall and it was great to see the various strategies each syndicate has in place to support continued progression for all our learners. It was also particularly pleasing to see the mid-year maths Progressive Achievement Tests (PAT) assessment analysis which shows all year groups to be achieving above the historic national average. It is special to see results for our school’s vision for our learners to “Be the best we can be” being presented in an excellent visual way. Keep up the good work

*Please note, the data is always presented to the board in a manner, so as no specific individual child is identifiable.*

### **Lockdown - Online Home Learning (Survey coming via email)**

We were pleased to hear there was some initial positive feedback from parents and care-givers about the transition to online learning this lockdown. We also heard, in general, people were more relaxed nation-wide about the amount of online learning children did daily compared to last year’s lockdown.

Bec Power is putting together a small survey which will come out to parents via email and asking just a few questions, to better understand what parents liked and what Muritai School could do more of in future when we are required to conduct online learning. We appreciate you taking a moment to fill in the survey when it arrives in your in-box.

### **School Hall Project**

We know you will all be pleased to hear, the board has received proposals and selected our preferred Architect firm to progress plans for updating our Muritai School Hall, including the kitchen area. We will keep you up to date with this exciting project regularly.

### **School Donations and Activity Fee – Reminder and Thank You**

Thank you to those who have already made donation and activity fee payments for this year. The money does make a real difference and enables the school to operate and offer a wide range of activities that benefit our Muritai learners and help them be the best they can be.

If you are yet to make your donations and school fee payments, please refer to your invoice for amount and bank details or contact the office if you require a copy of an invoice or further details.

Donations are eligible for a tax rebate, via the Inland Revenue website. We will provide you with a receipt that can be used to claim your rebate. To make it easy there are a variety of ways to pay; in full or spread out, through cash, cheque or EFTPOS, online or by regular direct debit.

Again, the board thanks the community for making the donation payments to support the school and acknowledges gratefully all extra amounts paid which help to fund our operating costs for 2021.

Warm wishes

Muritai School Board of Trustees

Kaye, Andrew, Bec, Jeremy, Kurt, Lisa and Felicity.
