

April 2021

Hello Muritai Families,

The Muritai School Board of Trustees held its second meeting for 2021 this week. It was a positive meeting with a full agenda as always and from that we have a couple of updates to share.

#### Donation and extra contributions

Donations play a very important part towards the financial side of running our school and the Board wishes to thank those who have already made your donation payment. It is also really pleasing to see that the option added this year, to make an additional contribution, has been taken up by some of our wonderful parent and caregiver community and an extra big thank you goes out to you (you know who you are 😊)

#### Playgrounds

The playground refurbishment is looking awesome, and the good news is, more playground development has been ordered and now awaiting installation. It's really cool to see this project coming together and even more pleasing to see our Muritai children enjoying using this space.

#### Longest term of the year

As we head towards the end of the longest school term of the year, 11 weeks to be exact along with the extra challenges of jumping between Covid levels 1 and 2, the Board would like to thank you, our wonderful parent community, and the staff at Muritai School for your continued positive energy you bring to the school. It really does make the environment here

at Muritai School a fantastic experience for our learners, which helps them be the best they can be.

We hope the upcoming holidays give you and your families time to relax and recharge and for those getting away and exploring our own backyard and possibly across the ditch, please do enjoy the holidays and we look forward to seeing you in term two which starts Monday 3 May.

Warm wishes

Muritai School Board of Trustees

Kaye, Andrew, Bec, Jeremy, Kurt, Lisa and Felicity.
