

Hello Muritai Families,

The Muritai School Board held its regular Board Meeting recently, our 2nd meeting with the new board members Jo and Matt plus our new Principal, Stu. It was a productive meeting with another full agenda. From that we wanted to share a few things.

Muritai School End of Year Achievement Data.

Stu presented the data for end of year achievement to the board and various questions were asked plus good discussions had. The good news is the achievement data shows our Muritai learners are generally doing well and achieving where we would expect them to be. There is always room for improvement and it was great to hear some of the new initiatives Stu and the Senior Leadership Team are developing to help our Learners be the best they can be.

Muritai Market Day

The board was very pleased at how the Market Day went. Not only did our Muritai Students do an amazing job preparing and running their market stands, but to see the school community involved, on the school grounds and fully engaging was amazing!! Well done everyone. Even the weather played ball. We understand the Market Day was also a huge financial success for our young entrepreneurs, again well done.

Staff Planning for 2023

It was great to announce the full line up of teaching staff for 2023, the board is very pleased with the new appointments, which will compliment our wonderful current staff. Feedback from the community to board members over casual chats is very positive. We look forward to welcoming our current staff and new staff members into the school next year.

2022 School Leavers

The board passes on our best wishes for all those leaving Muritai School at the end of 2022. Our year 8s as they move onto high school and some of our year 6s as they move to schools who have in-takes at year 7. Also best wishes to a few of our staff who are moving onto new schools and challenges. May you all have fond memories of your time at Muritai School as you start your new adventures in 2023.

Warm wishes and Merry Christmas
